

CAPE CHRISTIAN COMMUNITY SCHOOL
PARENTAL DECLARATION OF FINANCIAL COMMITMENT

Providing private education is an expensive endeavor, one in which additional revenue is needed to maintain financial sustainability. A gap exists between the actual cost of educating students and what can be charged for tuition; therefore, a commitment to help raise additional revenue is required from those being served.

In order for Cape Christian to continue our mission of educating students in a Christ-centered community where the Word of God is preeminent in all curricular and co-curricular instruction with spiritual and academic excellence at the core of our educational process as children are taught and trained to be disciples of Jesus Christ; parents are asked to do the following:

1. Provide five names for Annual/Scholarship Fund
2. Raise a minimum of fifty dollars in pledges for the Knowledge-A-Thon
3. Sell a minimum of five raffle tickets for the Chili Supper
4. Sell a minimum of five raffle tickets for the Annual Patriotic Program Auction
5. Help with one event- Golf Tournament, Chili Supper, Knowledge-A-Thon, Auction

For those who are unable to fulfill what is listed above, an “opt out” choice is available. A sum of \$500.00 will be billed to your account.

It is imperative that we work together to keep Christian education available and as an affordable option in our area!

I Corinthians 4:2 “Moreover, it is required of stewards that a man should be found faithful.”

Romans 12:4-6b “For as in one physical body we have many parts and all of these parts do not have the same function or use, So we, numerous as we are, are one body in Christ and individually we are parts one of another [mutually dependent upon one another]. Having gifts that differ according to the grace given us, let us use them;”

I understand that every family is needed to do their part to guarantee the future success of our independent Christian school. As a result, I pledge my commitment to do one of the following:

_____ I will complete the five requirements listed above.

_____ I choose the “opt out” option and will have \$500.00 added to my account.
